Your telephone will "take" you almost anywhere

You are within speaking distance of persons miles away — across cities, states and even in countries beyond an ocean — by telephone! A distant friend, a relative an absent wife or husband; you can visit them almost anywhere by telephone. The charges are so moderate that regular visits, even over great distances, are always worth far more than they cost.

*It is our aim to furnish the best
possible telephone service at the
lowest possible cost*

An Extension Telephone?

An extra telephone instrument connected to your present line is an extension telephone. It costs but a small additional sum and may be located in a different part of the house than the telephone you have now.
